### Can I bring alcohol to my reservation?

Certainly! But there are three important things you need to do:

1. Indicate that you will be serving alcohol when you make the Clubhouse reservation
  - a. If you say you are not serving alcohol and we later find evidence that you were, **you will be charged a \$250 fee per the Rental Agreement**
2. Make sure your insurance policy includes Host Liquor Liability coverage
3. Be responsible and ensure that all guests are respectful of the facility and the staff! Remember, the individual who rents the Clubhouse is responsible for the actions of their guests. Additionally, if the Clubhouse staff thinks your party is getting out of hand, they have full authority to:
  1. Call security, which will result in an additional cost to you
  2. Call the police
  3. Terminate the event early

### Who is responsible for cleanup after the party?

The individual who rents the Clubhouse is responsible for cleaning every room that has been rented. **The Clubhouse staff will not help with cleanup.** That is the renter's responsibility. The Clubhouse staff will perform a walkthrough of the building before and after your event. Everything must be returned to the condition you found it in at the start of your event.

If you leave without adequately cleaning up, **you will be charged additional fees.** The HOA will provide basic cleaning supplies, such as trash bags, brooms, a vacuum, and

### How much time do I have to setup/cleanup?

Setup can only take place the same day of the reservation, and only during normal Clubhouse operating hours. If you wish to setup prior to the start of your rental hours, it must be approved by the Association ahead of time, to ensure that it does not interfere with other Clubhouse activities or guests.

Per the Rental Agreement, cleanup needs to take place *during* the rental hours unless otherwise approved ahead of time. For example, if you rent the Clubhouse from 3pm to 10pm, you need to have cleaned everything up and be leaving the Clubhouse (in the same condition as when your event started) at 10pm. If you need to stay past your rental hours to clean, **you will be charged additional fees.** Please plan accordingly, and select your rental hours based on *including* cleanup time. We usually recommend about an hour for this.

### Are there any decorating restrictions?

Yes – first and foremost, **no glitter whatsoever is permitted anywhere inside the building.** This is because it's so difficult to clean. If we find evidence of glitter, you will be charged additional fees.

Additionally, no duct tape, nails, tacks, or glue may be used to attach anything to the walls. Standard tape and push-pins can be used for decorating, but must be removed during cleanup. No candles or open flames are permitted either.
